

# HOW TO RECEIVE PATROL SERVICE REPORTS

What have you got to lose?®

## SETTING UP PATROL REPORTING IN YOUR BAYNET ACCOUNT

As an existing Patrol or Agent Response customer, all you need to do to view your Patrol events and activities is make a phone call to Customer Care. A representative will assist you in walking through these steps:

1. To set up BayNet, speak with a Bay Alarm Customer Care Representative at (800) 470-1000, option 2, with your account information, email address, and username. The representative will walk you through the following steps to set up your reporting.
2. In your web browser, go to [www.bayalarm.com](http://www.bayalarm.com), click on the MY BAYNET link and log in using the BayNet login screen. You will need to use the same email address and password that you gave to Customer Care.

3. Enter your system CODEWORD to view your account/s.
4. View your Patrol activity under Reports/Patrol.
